

Project Summary

Bhawani School Assembly Stage

Kakani, Nuwakot, Nepal

Project Name:

Assembly Stage

Project Location:

Bhawani School,
Kakani, Nuwakot,
Nepal

NGO Partner:

Little Sisters Fund

Project Cost:

\$720

Project Details:

- * The school does not have any area to gather other than the dusty yard.
- * The community is contributing 57% of the cost of the project (total cost is \$1,675). The Global Uplift Project has committed to raising \$720 (43%).

The Global Uplift Project, in partnership with the Little Sisters Fund, will help fund the construction of a 26'x18' stage (468 sq ft). Currently, the school has a large open yard but no place for the students or staff to gather. The school has over 1,000 students in grades 1-12 with 40 dedicated teaching staff. Research has shown that children who are allowed to play and perform on stage do better in their academic studies.

The project is being organized and managed by girls from the school. This student-led endeavor is backed by the school and the Ministry of Education. The school and community are contributing 57% of the total cost of the project.

The new stage will not only be used for plays, debate, quiz competitions, and performances, but also for staff gatherings from the nearby 10 schools. It will be available for the community to use as well, after school hours.
