

Follow Up Report of Drinking Water

Saraswati Higher Secondary School

Lele, Lalitpur

The LSF/E4E Team Usha, Ramesh, Paridhi and Trimuna visited two SSG partner schools Amarkanti EBS and Saraswati HSS of Lele Lalitpur. During the visit we did follow ups of drinking water project of Saraswati Higher Secondary School. This project was started in May 2023 and was completed in September 2023. We found that school management had maintained it properly. The staffs, students and other community people are using it and have access to clean drinking water in school Premises. All students are having easy access to clean drinking water and they are preventing from water borne diseases.
