

## **Final Report of School Science Lab**

### **Gurukul Sikshya Sadan**

#### **Bharatpur 9 Chitwan**

The Science project team of Gurukul Sikshya Sadan of Chitwan installed the equipments in the lab and make ready for the students to use it in their practical classes. The students look happy to do practical in the lab. They are learning hands on work so that they can remember it for long period of time. The school management, teachers and the students are very happy and grateful.

The pictures are attached below.
