

# Installing Playing Equipment

## Mahakali Secondary School

### Kavre

#### Introduction

Mahakali Secondary School is in the Kavre district, Nagarkot. It was established in 2019 B.S. Mr. Prem Bahadur Gurung is the current principal of the school. The school runs from (P.G.- +2) level. The total number of students is 367 with 17 teaching staff and 2 non-teaching staff. The school has four buildings with Library, Science lab, Computer lab, and administrative office. The school has a playground for students but lacks the playing types of equipment which could be helpful for the students to play during their leisure time. The playing equipment can involve students doing more physical activities and maintaining their health. So, the school has requested to install playing equipment for the school.

The people in this area are from different backgrounds including Tamang, Gurung, Brahmin, and Dalit. The main earning source of the people from this community is agriculture. Besides this, some people work in different fields like hotels and as a labour as well.

**School Area**

#### Objective

- To make a child-friendly school so the children can come to school without any worries.
- To improve the quality of the school by providing different playing equipment.
- To improve children's physical health.

d) To give a platform for the students to generate their talent and interest in different fields.
