Mountview Assembly and Playground Dhulikhel, Kavre, Nepal

Project Name:

Paved playground
and assembly area

Project Location:

Mountview English
Boarding School,
Dhulikhel, Nepal

NGO Partner:

Little Sisters Fund

Project Cost:

\$700

Needs Assessment:

- The school does not currently have a playground for the students.
- Students sit outside between classes with nothing to do.
- The space will give students a place to play and assemble for meetings.

ODFL, in partnership with the Little Sister's Fund (LSF), will fund the construction of an assembly area and playground for the Mountview English Boarding School. The school has over 380 students in grades 1-10 with 23 full-time staff.

Currently, the students are exposed to the elements: flying dust in the dry season and wet mud during the monsoon. The playground and paved floor assembly area will provide shelter from the weather, provide space for the school to gather for meetings as well as give the students an area to play between classes. The students will also use the area to participate and organize sports and other extra curricular activities.

The school is providing 44% of the funding for the project. The total requested of ODFL is \$700. This will be the 9th project ODFL has funded with LSF.
