

Proposal on Installing Playing Equipment

Sarva Santi H.S.S

Kurintar, Chitwan

Introduction:

Sarva Santi Secondary School is in Chitwan, Kurintar. It was established in 2007. Mr. Johan Khand is the current Principal of the School. The school runs from P.G to +2 level. The total no. of students is 1074 with 30 teaching staff and 7 non-teaching staff. The school has 4 buildings with library, science lab, computer lab and administrative office. The school have playground for students but lack of playing types of equipment which could be helpful for the students to play during their leisure time. The playing equipment involves students doing more physical activities and maintains their health. So, the school has requested to install playing equipment for the school.

The people in this area are from different background like Chepang, Thapa, Magar, Gurung, Bramin, Chettri, Begam and Dalit. The main income sources of the community are agriculture and business (Hotel, small café). Beside these some people work as labor as well.

School Building and Compound

Objective:

- Increase academic performance
- Helps children to involve in physically activities
- Improves each child's individual social skills and physical health
- Helps a child understand their physical freedom
- Helps promote problem solving skills
