Soccer Uniforms & Equipment
Schools in Central Kenya and
Nairobi, Kenya,

Project Name:

Soccer Uniforms & Equipment

Project Location:

Nyeri County,
Kirinyaga County, and
Kibera, Nairobi, Kenya

Project Summary:

Team uniforms and sports equipment are being supplied to schools in central Kenya and to the Kibera Slums in Nairobi.

Project Detail:

Deliver uniforms and sports equipment for soccer, baseball, handball and volleyball teams, and sports jerseys to schools for use in PE classes. This project will help more than 1,000 students.

Project Partner:

Kiini Sustainable Initiative (Kiini). ODFL has completed many prior projects in partnership with Kiini.

ODFL, in partnership with Kiini, will supply soccer uniforms and equipment to teams at schools in Nyeri and Kirinyaga, as well as to teams in the soccer league that has been set up in the Kibera slums. Most teams have no proper uniforms or equipment and play in dirt fields.

We will also give soccer uniforms to the PE teachers at the schools for use during PE lessons. The teachers and students have had a difficult time working out who is on which team when they all have the same school uniform!

This summer, a group of California high school students took part in a service trip to Kirinyaga and Nyeri. As well as working on the classroom and garden projects, they gave soccer, handball, volleyball and baseball equipment and lessons to their Kenyan peers.

The Kenyan girls were particularly excited to receive equipment and training, as well as some of the first team shirts to be distributed. The rest of the uniforms have been collected and will be delivered soon.
